

ASK YOUR SCHOOL

From September, the Relationships and Sexuality Education (RSE) lessons will be compulsory in Wales. Parents will not be able to withdraw their children. You need to know what your child is being taught, who will teach it, what resources will be used, and what the school is doing to protect the rights, dignity, privacy and freedom of expression of all pupils.

Merched Cymru have created a template email/letter for contacting your school and a briefing on what to ask, why you need to know, what you should expect, and advice for following up your queries. This covers:

- 1 RSE providers & resources**
- 2 School equality policy**
- 3 Toilet provision**
- 4 The school's approach to ensuring that the rights of all children are upheld**
